Here we go now

Here we go now

Here we go now

Ah, come on

Get up on ya feet now

Gonna rock the place

Can'tcha see the smile on my face

Give it to me high, give it to me low

Give it to me - here we go

Get up on ya feet now

Gonna raise the roof

Can't stop now

We're crawlin' on through

Yipe - yay - yipe - io

Get up on ya feet now

Hyped up, phsyced out, ready to go

Say ya gotta believe, ya gotta put on the show

Everybody's on the floor sayin ???

Face to face now we're comin' back

Hear the noise and feel the heat

From block to block, and down every street

Don't have to run when ya get the call  
Beat the buzz is through it all  
Make some noise all you girls and boys  
Come on. We're all fired up and ready to roll  
Fire it up, fire it up. Here we go  
Get up on ya feet now  
Gonna rock the place  
Can'tcha see the smile on my face  
Give it to me high, give it to me low  
Give it to me - here we go  
Get up on ya feet now  
Gonna raise the roof  
Can't stop now  
We're crawlin' on through  
Yipe - yay - yipe - io  
Get up on ya feet now  
Pumped up, funkyd up, ready to rhyme  
From state to state  
Workin' over time  
When that runaway trains rippin' down the track  
Jump aboard and don't look back  
Now ya got the flow  
It's time to show  
The whole world that you're no joke  
Don't have to run when ya get the call

Beat the buzz is through it all

Make some noise all you girls and boys

Come on. We're all fired up and ready to roll

Fire it up, fire it up. Here we go

Get up on ya feet now

Gonna rock the place

Can'tcha see the smile on my face

Give it to me high, give it to me low

Give it to me - here we go

Get up on ya feet now

Gonna raise the roof

Can't stop now

We're crawlin' on through

Yipe - yay - yipe - io

Get up on ya feet now

Here we go. Fire it up. Come on. Get up

Fire it up. Come on. Get up

Here we go. Fire it up. Come on. Get up

Ohhh, there it is

Fire it up. Come on. Get up

Fire it up. Come on. Get up

Fire it up. Come on. Get up

Ohhh, there it is

So make some noise all you girls and boys

Come on. We're all fired up and we're ready to roll

Fire it up, fire it up. Here we go

Get up on ya feet now

Gonna rock the place

Can'tcha see the smile on my face

Give it to me high, give it to me low

Give it to me - here we go

Get up on ya feet now

Gonna raise the roof

Can't stop now

We're crawlin' on through

Yipe - yay - yipe - io

Get up on ya feet now

(On the East coast)

Get up on ya feet now

(On the West coast)

Get up on ya feet now

(Throw your arms to the side) Get up on ya feet now

(Come on everybody) Get up on ya feet now

(Who wants to party) Yipe - yay - yipe - io

Get up on ya feet now
