Things are crazy these days

Time's slippin' away

I've got the world ahead of me

I don't wanna miss a thing

'Cuz there's so much to do

And I'm gonna get through

Now I'm ready, yeah I'm ready

Ready to take it on

I'm ready for you

Are you ready for me

I'm invincible, and I can do anything

I'm ready to go

Are you ready to see

Don't you know that

It's impossible to stop me

I hope you agree, life impossibly

Sometimes you gotta do

What you gotta do

Anytime that you fall

Just give me a call

And I'll be ready, yeah I'm ready

Ready to take it on

I'll be there whenever you need me

I'm ready for you

Are you ready for me

I'm invincible, and I can do anything

I'm ready to go

Are you ready to see

Don't you know that

It's impossible to stop me

I'll never let you down

I'm always ready

I can, I am, everything that

I need to be

I am, I can, nothing gonna stop me

I can, I am, everything that

I need to be

I am, I can, nothing's gonna

Nothing's gonna stop me

I'm ready for you

Are you ready for me

I'm invincible, and I can do anything

I'm ready to go

Are you ready to see

Don't you know that

It's impossible to stop me

I'm ready for you

Are you ready for me

I'm invincible, and I can do anything

I'm ready to go

Are you ready to see

Don't you know that

It's impossible to stop me

I am, I can, I'm ready for you

I can, I am, are you ready for me

I am, I can, I'm ready for you

I'm invincible and I'm ready
