All you have to do is, say the word

I'm there

I'm on it, I've got it

I can do anything

What you need, Got your back

Just say the word, I'm there

If you find your world is cavin' in

You can bet your gonna need a friend

Someone to take those fears away

Say the word

Make a call and I'll be there

Anytime, anywhere

Have you heard

That I'm all about savin' your world

All you have to do is say the word

In trouble, in it deep

This is a promise that I can keep

Make it right, count on me

To be the best friend I can be

When your life is bending

Upside down

I'll be the one to turn it around

Say the word

Make a call and I'll be there

Anytime, anywhere

Have you heard

That I'm all about savin' your world

All you have to do is say the word

(Say the word)

If you find your world is cavin' in

You can bet your gonna need a friend

You will fly

Or I will take your fears away

Say the word

Make a call and I'll be there

Anytime, anywhere

Have you heard

That I'm all about savin' your world

All you have to do is say the word

Dial the number, call my name

Day or night, it's all I need

Say the word

'Cuz I'm all about savin' your world

All you have to do is say the word
