Verse 1: Box

1st off (girl who is that) I'm ya majesty
The 1st nigga on the block

I'm the 1st nigga to show these fucking hoes I'm a dog
I'm the 1st nigga to cock
The 1st nigga to shoot
The 1st nigga to smoke something
But the last nigga to do

Been thugging since my 1st fight
A tisket ,A tasket, A nigga in a casket
4 run up typical, Cause I ain't trying to get my ass kick
1 nigga down , Now I got 1 more to go
Fall thought I had the clips but see i had 1 bullet more
That's just 1 scenario
I'm bout my paper ,bout my chetter
Just made a hundred G's but 1 million would be better
Now it's my pleasure
I always be the first nigga to flow
Don't mean to cut it short, but they got 3 more verses to

go

Chorus: repeat 2x

Verse 2 : (Royal)

Oh yeah I'm from the boot
And look I'm too cold
I'm that same lil nigga that got that benz with 2 doors
Whip a nigga for benting 2 bows
Playing hard gone get ya broke
And get ya body filled 2 holes
Everyday go shopping for new clothes
And my old lady mad at me
Cause she caught me cheating with 2 hoes
Boy, I'm getting paid 2 do shows
And I know some niggaz like my grill
Started out with 2 golds
Me and these niggaz got true golds
And on the mic, I guess you can consider us, As a few
pros
Will I make a Mill (million)
Well, who knows
Look 5 figures good ,But dog I'm trying to add 2 more
Back up out my face, You too close
And Stop fronting like you got money
Know damn well you too broke
Let me grab my glock and unload
Cause you might tripped when I tell you that I had ya
girl unclothes
Now watch all this drama unfold
And I'll bet my own life that I'll take ya out with 1 blow
Number one title that the South holds
And if you niggaz talking shit you keep ya
motherfucking mouth closed

Chorus: repeat 2x
