Children

With pleasures and promises

As though we may go

Be it ever so humble,

There's no place like home.

A charm from the skies seems to hallow us there,

Which seek through the world,

Is ne'er met with elsewhere.

Prince Chulalongkorn

[Spoken]

Father, yesterday Misses Anna teaches us that the world is a

round ball which spins on and invisible stick through its middle. Everyone knows that the world lies on the back of a

great turtle who keeps it from running into the stars.

King

Well, this ball. It stick through it... I believe!

Prince Chulalongkorn

You believe. Does that mean you do not know? But you must

know, because you are king!

King

Good. Someday when you are king, you too shall know everything.

When you are king, but I do not know. In my head are many facts

but I'm not sure. What to tell a growing son how to bring truth

and justice to my people?
