Anna

[Spoken]

Oh but it's very exciting, when you're young at your first  
dance,  
and you're sitting on a small quilt chair with your eyes  
lowered,  
terrified that you'd be a wallflower. And suddenly you  
see two  
black shoes, a white waistcoat, a face, it speaks...

Anna

[Sung]

We've just been introduced,  
I do not know you well,  
But when the music started  
Something drew me to your side.  
So many men and girls,  
Are in each others arms-  
It made me think we might be  
Similarly occupied.  
Shall we dance?  
On a bright cloud of music shall we fly?  
Shall we dance?  
Shall we then say "Goodnight and mean "Goodbye"?  
Or perchance,  
When the last little star has left the sky,  
Shall we still be together  
With are arms around each other  
And shall you be my new romance?  
On the clear understanding  
That this kind of thing can happen,  
Shall we dance?  
Shall we dance? Shall we Dance?

[Dialog]

Anna

Mm mm mm...

Mm mm mm...

King

Why'd you stop? You dance pretty , go on, go on, go

on!

Anna

Oh your Majesty I didn't realize, after all I'm not a  
Dancing girl...In England no woman would dance while  
a  
Man is looking at her...

King

But you will dance with strange men, holding hands,  
etcetera.

Anna

Yes, but not always a stranger. Usually a very good  
friend.

King

Good, then we will dance together! You show me.  
Teach, teach, teach!

Anna

Well, it's quite simple, the polka. You count one, two,  
three  
and one, two, three and one, two, three...

Shall we dance?

King

One, two, three and?

Anna

On a bright cloud of music shall we fly?

King

One, two, three and?

Anna

Shall we dance?

King

One, two, three and?

Anna

Shall we then say "Goodnight and mean "Goodbye"?

King

One, two, three and?

Anna

Or perchance,  
When the last little star has left the sky,

Shall we still be together  
With are arms around each other  
And shall you be my new romance?  
On the clear understanding  
That this kind of thing can happen,

Both  
Shall we dance?  
Shall we dance? Shall we Dance?

Anna  
One, two, three and one, two, three and  
One, two, three and one, two, three and

King  
One, two, three, one, two, three  
One, two... Something wrong!  
I know, I know, I forgot "AND" next time  
I'll remember!

Both  
And one, two, three and one, two, three and  
One, two, three and ...

Anna  
Oh that's splendid, your Majesty!

King  
Splendid! Splendid!

Both  
And one, two, three and one, two, three and  
One, two, three and ...

King  
That is not right!

Anna  
Yes, it is! You're doing beautifully, your Majesty.

King  
Not the way I see Europeans dance tonight.

Anna  
Yes, it was! It was just like that!

King  
We're not holding two hands, like this.

Anna  
No. As a matter of fact...

King  
Or no-o-o-ot like this.

Anna  
Yes.

King  
Come!
