King

A woman is a female who is human,  
Designed for pleasing man, the human male.  
A human male is pleased by many women,  
And all the rest you hear is fairy tale.

Anna

Then tell me how this fairy tale began, sir.  
You cannot call it just a poet's trick  
Explain to me why many men are faithful  
And true to one wife only-

King

[speaks]

They are sick!

[sings]

A girl must be like a blossom  
With honey for just one man.  
A man must be like honey bee  
And gather all he can.  
To fly from blossom to blossom  
A honey bee must be free,  
But blossom must not ever fly  
From bee to bee to bee.

Anna

h your Majesty, in my country we have a far off  
different attitude.  
We believe that for a man to be truly happy, he must  
love one woman,  
and one woman.

King

This idea was invented by a woman!

Anna

Oh but it's a beautiful idea. And in England we are  
brought up  
with it. And by the time a young girl goes to her first  
dance-

King  
Young girl? They dance also like I see tonight - in arms  
of men  
not her husband?

Anna  
Well, of course!

King  
I will not permit!
