Show me how you do that trick?  
The one that makes me scream, she said  
The one that makes me laugh, she said  
Threw her arms around my neck

Show me how you do it?  
And I promise you  
I promise that I'll run away with you  
I'll run away with you

Spinning on that dizzy edge  
I kissed her face, I kissed her head  
Dreamed of all the different ways  
I had to make her glow

Why are you so far away? She said  
Why won't you ever say  
That I'm in love with you?  
Yeah, I'm in love with you

You soft and only, you lost and lonely  
You strange as angels  
Dancing in the deepest oceans  
Twisting in the water, you're just like a dream

Daylight licked me into shape  
I must have been asleep for days  
I moved my lips to breathe her name  
I opened up my eyes

Found myself alone, alone  
Alone above a raging sea  
That stole the only girl I loved  
And drowned her deep inside of me

You soft and only, you lost and lonely  
You just like heaven
