I got a BSA in British way
It's not made in The USA
I got a BSA in British way
And I'm listening to the CSA

Well, listen to those good old boys
British bikes are no toys
Well, listen to those good old rockers
And a-hangaround with the Teddyboys

I got a BSA in British way
I'm a Rocker gonna ride today
I got a BSA in British way
And I'm listening to the CSA

Well, listen to those good old boys
British bikes are no toys
Then you'll find, there ain't no choice
Name of the game is rock 'n' roll
Name of the game is rock 'n' roll
Name of the game is rock 'n' roll
Name of the game is rock 'n' roll
