Just one more drink and then I should be on my way  
home

I'm not enterely sure what your talking about

I've had a really nice time but my dogs need to be fed

I must say that in the right light you look like Shackleton

Comment allez-vous ce soir? Je suis comme ci comme  
ca

Yes, a penguin taught me French back in Antarctica

Oh, I could show you the way shadows colonize snow

Ice breaking up on the bay off the Lassiter coast

Light failing over the pole as every longitude leads

up to your frost bitten feet oh, you're very sweet

thank you for the flowers and the book by Derrida

But I must be getting back to dear Antarctica

Say, do you have a ship and a dozen able men

That maybe you could lend me?

Oh Antarctica

Oh Antarctica

Oh Antarctica

Oh Antarctica
