Let the waitress put the chairs up  
Let the glasses that you broke  
Form a picture of our leader  
With a halo made of smoke

Let the golden oldies station  
Crackle and come through  
With a final benediction  
We'll hum along to

Before we say goodnight

Let our talk about the ball game  
And the weather show we care  
Like a sound we didn't notice  
Until it stopped and left us there

With the traffic and our heartbeats  
Beating in straight time  
Let our hatred and affection  
March in the same line

Before we say goodnight

Oh, protect our secret handshake  
Once more with feeling  
Let the toast to absent members  
Push through the ceiling

Before we say goodnight  
Before we say goodnight  
Before we say goodnight
