Surely

Surely

I, I, I, I,

Well I love her

V-v-love her

V-v-love her

V-v-love her

V-v-love you

Come rain, come snow, come a-come sunshine

Your love would stop the rain

It would melt the snow

Girl your mine

Mine

And all I've got to say

Ah when I feel this way

Is that I, I

I love her

V-v-love her

V-v-love her

V-v-love her

V-v-love you

Well I love you because

Darlin' you're so real

You show this heart of mine

A real true love and all the feelings

Surely

Surely

Surely

Surely

I, I, I, woah!

Watch it now

SAX SOLO

I love you because

Honey you're so real

You show my achin' heart

A real true love and all the feelings

Surely

Surely

Surely

Surely

I, I, I, I

Well I love her

V-v-love her

V-v-love her

V-v-love her

V-v-love you
