Cannabis Cup, no doubt we win  
Kings blend, taster's choice  
I know you're real high when you hear my voice

You wanna smoke with us, you better bring an ounce  
Cuz we get down with a southern bounce  
P-Town layed the found where I move the pounds  
Now I'm coming and runnin your city unannounced  
So don't get clowned when we come around  
We so down to earth that we underground  
I'm puffin' on the green while you're smokin' shit brown  
Cuffin to the team, compound lock down  
I'm aside my krown, throwin' strike for the mound  
Keep it tight wound like two bloodhounds  
I'm gettin so profound we make the haters frown  
Got your girl beggin' me to be gagged and bound  
Make the world spin round, so turn it loud  
That danced out, thumped out, move the crowd  
Started in '96 with the O.C. sound  
Now we comin' So Cal, now we world renowned

Kings blend, we out smoke them  
Cream of the crop, creme de la creme  
Kings blend, us versus them  
Cannabis Cup, no doubt we win  
Kings blend, taster's choice  
I know you're real high when you hear my voice

Now I'm Johnny Richter, that's the king D-Loc

Between both us blowin' gangs of smoke  
I guarantee you can't out smoke me, we can do it live  
on cable T.V.  
With kings blend dope, you choke before you spoke  
We toke took all your hope, and you still can't cope  
With the bubble berry blue you're through, get your  
krew  
Tie your shoe, get a clue, you belong in the zoo  
Yup, swingin' from a rope eatin cantaloupe  
Walked in a boat like a frog and croaked  
Don't get the wrong view, you're long past due  
We get the oohs and ahhs while y'all get the boo  
You blow, how I know? Cuz I put it to a vote  
We the greatest smokers that you quote, quote for  
quote let me clear my throat  
Been puffin kings blend, bong load al a mode  
The neutron bomb, the sticky green, I'm higher than a  
kite when I hit the scene  
Stoners Reekin Havoc ask Kevin Zing, but he'll only  
reply if it means ching ching

Kings blend, we out smoke them  
Cream of the crop, creme de la creme  
Kings blend, us versus them  
Cannabis Cup, no doubt we win  
Kings blend, taster's choice  
I know you're real high when you hear my voice

D double dash L long O C, I'm from O. C.  
Eyes closed can't see when the smoke hits me  
Startin 10 hits each and I'm hashin keys so I can make  
ends meet  
Defeat the weak, I'm at the top of my league of my  
league  
I freeze OGs, leave 'em stunned and deceived  
I'm freakin' this beat while I'm stoned in the street  
While you down on your knees, beggin' oh please

Chillin in a room hot boxed to the ceilin  
Billowin the crop cuz we got top billin  
Feelin' high as fuck, so the buds fulfillin  
Dealin, then healin, never stealin, revealin  
(Now my nugs?) buy me E sacks I be killin  
Ran out of paper started usin (the peelin?)  
Never caught a cold but I always be illin',  
Spillin' brew with a view from the ruthless villain

High as a kite, got a real funny feelin  
Kings blend dope probably worth about a million  
Thousand watt lights, miracle grow, hydro rock, those  
fans gotta blow

Sittin' low pro on the fog soaked dome  
(?) to the party, high to the bone, three months later  
we's all gettin' stoned  
Fillin up Southern Cali toker zone, seizin' clones,  
pounds of zones  
Cannabis Cup we bringin' it home to the Golden State  
where it belong  
Kottonmouth Kings, we bringin it home ya'll

Kings blend, we out smoke them  
Cream of the crop, creme de la creme  
Kings blend, us versus them  
Cannabis Cup, no doubt we win  
Kings blend, taster's choice  
I know you're real high when you hear my voice
