Just because I don't have a diamond ring doesn't mean
i'm gonna bet your dirty fling
I'm just dancing with my girls on a friday night don't
need you buying' me a drink to have a good ole time

Chorus: I know that you want to take me home you
wanna
take a little drive just to get me alone
But i'm a good girl, mama taught me to watch my back,
i gotta
To stay away from boys who play like that,
'cause there's no such thing as a free ride.

goodnight, I've heard those lines way to much.
You can look all you want but you can't touch.
Don't tell me about your tricked out four-wheel-drive
I can't see just what is on your mind!

"Chorus"

Hey maybe you're stuck livin' in a dream, or some kind
of wicked fantasy
I know that you want what you can't see,
I got news for you that will never bet
Sorry pretty boy you're out of luck,
i'm never gonna jump in the back of your truck ,
go try your tricks on another one
If that's what you want then back up, back up
"chorus"x2
Goodnight, there's no such thing as a free ride!
