hey mr
wilson im glad to shake your hand its nice to see you
too and yes i unde
that im not to take it personal although we look like
people and it could be my
son on the chopping block but im sure hell understand
youre at the table and
you seem nice enough [called his daddy he was
maddy came and took my ball and
batty] i just cant figure are you for real or not [called
me brother sister
mother shook my hand now calls me sue] and im not to
take it personal although
we look like people and it could be my wife on the
chopping block but im sure
shell understand im sure well understand and im not to
take you personal
although we look like people and it could be my head
on the chopping block but
im sure ill understand im sure well understand no we
dont understand hey mr
wilson do what you have to do [lay the pipe the apples
ripe im going to japan
is that good enough]
