Turn around

Every now and then I get a little bit lonely and you
never come around

Turn around

Every now and then I get a little bit tired of listening to
the sound of my tears

Turn around

Every now and then I get a little bit nervous that the
best of all the years have gone by

Turn around

Every now and then I get a little bit terrified and then I
see the look in your eyes

Turn around, bright eyes

Every now and then I fall apart

Turn around, bright eyes

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if only you hold me tight

We'll be holding on forever

And we'd only be making it right

'Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

(all of the time)

I don't know what to do, I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

Forever's gonna start tonight

Once upon a time I was fallin' in love

But now I'm only fallin apart

There's nothing I can do

A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Turn around, bright eyes
Every now and then I fall apart

Turn around, bright eyes
Every now and then I fall apart

And I need you now tonight (and I need you)
And I need you more than ever
And if only you hold me tight (if you only)
We'll be holdin' on forever
And we'll only be making it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
(all of the time)

I don't know what to do, I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was fallin' in love
But now I'm only fallin' apart
There's nothing i can say
A total eclipse of the heart
