I know that we have got so far to go and I know that we will make it on our own. Cause we have got something that they can not take. Yeah I love you yeah I love you.

\*Chorus\*

Don't wake me up I don't know where you came from and take me love in your arms once more. I'm feeling like this just can not be denied like we're dancing in 1955.

I know that we have got so much to say and I know I'll live my life for you everyday. Cause this is a love I simply can't ignore and I can not ask for more and I can not ask for more.

\*Chorus\*
