I've been real good this year and all I want for
Christmas is you my dear and I've checked my list
more than twice. If I were to say to you that you've been
quite good to me thats right and your all I need in my
life and I'd give up this song that I wrote for you and
thats the truth all I need is you.

chorus

I'll be your Rudolph and you'll be Clarice and you'll tell
me I'm cute and I'll fly off my feet and all I want for
Christmas is for you to say that I will stay with you until
my dying day.

This is all I have just like the promise day of our past
and you have had my heart all of this time right from
the start and I wear yours 'round my neck and I know
it's there I don't need to check cause if I lost it I would
not care cause we're aware our love is rare.

chorus

Good to me thats right and your all I need in my life
and I'd give up this song that I wrote for you and thats
the truth. All I need is you.
