I can not look away from these pictures that we made.
Like that time we climbed that hill just to watch the
sunset 'til,
it sets and I wanna move on but I can not because I'm
stuck in rewind and all I think about when I think about
you is all the good times.

Chorus

This is all we were in our loneliness. We paid the price to
have it all but we did not ask for this. So take all of your
stuff from here I can not look at this because we are,
we are two separate souls tonight.

I hear you voice whispering. I see the past pass by in
everything. I close my eyes just to get away but you are
there even when I'm not awake,
and I'm upset and I wanna move on but I can not
because I'm stuck in rewind. And all I think about when I
think about you is all the good times.

Chorus

And all we wanted was everything and all we had was
the love we'd bring. But all we asked for was honesty
and this is where we walk away.

Chorus
