I can't tell you what your made of and I can't show you  
who you are but if you prove that you're a fighter then  
I'm sure you will fight on and if the road becomes to  
hard for you just know I'm here. Carry on, carry on.

**\*CHORUS\***

So tell me what you want to be and I'll tell you all you  
have to do is believe. Now close your eyes what do you  
see? Oh my dear, just dream.

When you see the light before you and you feel you  
can't go on. Just reach down deep inside of you that's  
how you've come so far. And I know you're feeling so  
alone but we're by your side. Carry on, carry on.

**\*CHORUS\***
