It's been a long time since I've written in this light. I'm feeling more along as time goes by. Only two more days until I spend my first one alone and all I want is answer to my prayers but you can't, but you can't.

So the next day comes just two more days away. This cold wind blows away a warm place in my heart and in my bones I feel alone, I feel alone, but you can't, but you can't, but you can't, but you can't.

So I stand on the top of the world looking in am I the only one.  
but you can't, but you can't, but you can't, but you can't.
