If I said you were the one for me would you hold it
against me or would you kiss me, would you kiss me?
So let's go back to the fifth grade right after we were
elementary. I know this is where it's at, I know this is
where it's at and now we're gonna party like its 1999 all
again and now we're gonna party like it's 1999 and we
know it's not gonna end, its not gonna end.

(chorus)

Whoa oh oh Radio turn up your stereo and I'll be the
one singing. oh Oh oh Radio listen to the song I wrote
and circle the yes or the no, the yes or the no.

And we will never know what its like to be a grown up
because we are the kids at heard and we'll grow up but
stay down and we'll always be around to stand up and
sing loud to our song. And now we're gonna party like
its 1999 all again and now we're gonna party like its
1999 and we know its not gonna end, its not gonna
end.

(chorus)

oh Oh oh Oh. no Oh oh oh and circle the yes or the no or
the no. oh Oh oh Oh, oh Oh oh Oh and circle the yes or
the no.
