

The Whale And The Wave "Wrong"

Visit "[Wrong](#)" on MotoLyrics.com

I've been living the same life and I've been dreaming
way too high. I've been singing the same song and I've
been thinking what is wrong.

(chorus)

I've been down this road before but you told me not to
care anymore. So I thank you my dear. Where would I
be without you here, you here.

I've had lovers come and lovers gone. I've had these
lovers tell me I am wrong. So I sing your name into your
ear when we're alone because you would never tell me
I am wrong.

(chorus)

oh ooh. oh ooh. oh whoa ooooooh.
oh ooh. oh ooh. oh whoa ooooooh. oh oh.
oh oh.

(chorus)
