Wild thing!

Wild thing!

Wild thing, I think you move me!

But. I wanna know for sure!

Every time I kiss you, I taste what other men had for lunch!

The only thing that can get you off is to see me in pain,  
but I think I love you!

Wild thing!

You make my heart scream!

You took everything!

Oh, wild thing!

Wild thing, I think you move me!

Ah, that just came to my mind - I thought I'd say it!

You made me trust you, then stuck the knife in my heart!

You're a lying, unfaithful, untrustable tramp, and I think  
I love you!

Wild thing!

You make my heart scream!

You took everything!

Oh, wild thing!

Wild thing!

Oh, we've all had some kind of wild thing that went through our lives and made it hell.

'Cause everybody's had one - you, me - NOBODY likes to lose!

And you know she's out there, laughing at you -

I don't care if it was last week or the 3rd grade!

Someone broke your heart!

What was her name?!!!!

Wild thing!

I'll never forgive you!

You make my heart scream!

How do you live with yourself?!

You took everything!

You never loved me!

Oh, wild thing!

You used me!

Wild thing!

I hope you slide under a gas truck and taste your own blood!

You make my heart scream!

Why didn't you tell me you were a demon from Hell?!!!!

You took everything!

You deserve the men you're gonna meet, you loser!

Oh, wild thing!

Railroad bums! Transients! Out-of work guys!

Wild thing!

Guy who're gonna use you like you used me!

Wild thing!

Guys who are gonna take money out of your purse and  
crawl out a window!

Wild thing!

Oh! O-o-o-o-o-oh!

Wild thing!

What's her name?

Yea-a-a-a-a-ah!
