little bit of soap
Will wash away your lipstick on my face
But a little bit of soap
Will never never never ever erase
The pain in my heart and my eyes
As I go through the lonely years
A little bit of soap
Will never wash away my tears

Mmm a little bit of soap
Will wash away your powder from my chin
A little bit of soap
Will never never never ever begin
To take away the hurt that I feel
As I go through the lonely years
A little bit of soap
Will never wash away my tears mmm mmm mmm

Have you heard when love begins to die
It leaves someone to cry night and Day
Like a bird you left your robin's nest
And a just like all the rest you flew away

Mmm a little bit of soap
Will take away your perfume eventually
But a little bit of soap
Will never wash away the memory
Of your name in the night
That I call through the lonely years
A little bit of soap
Will never wash away my tears

I'll never lose the memory of your name in the night
That I call through the lonely years
A little bit of soap will never wash away my tears
Mmm a little bit of soap a
Will never wash away my tears

Mmm it's gonna never never never
Uh huh wash away my tears
