why don't we die tonight she said just to try and rewrite
what's been read we collide more in life than if dead
just frozen in time inside our heads she was my Juliet
handle deep and I was her Romeo swallowing she was
my Juliet handle deep and nothing could keep her from
following maybe you're right I stopped and thought
cause the time I find I prize was the time before we
fought when I was lost within the light inside your eyes I
mean not everyone finds true love but everybody dies
so deep so still in love she was my Juliet handle deep
and I was her Romeo swallowing
