Written by Michael Kamen, Bryan Adams and Robert "Mutt" Lange

("Big size really doesn't matter. You think I got really big muscles in my pussy?")
("What have you [???)")
("When a man and a women take care of these--")

Look into my eyes and you'll see
what you mean to me
Such a heart, oh yes, such a soul
You'll find me there; you'll search no more

Don't tell me, it's not worth trying for
You can't tell me, it's not worth dying for
You know, it's true
that everything I do, I do it for you

You make me crazy
("I haven't had an orgasm, you jerk.")

Look into your heart, and you will find
there's nothing at all there to hide (hide, hide)
Take me as I am, take my life
I will give it all; I would sacrifice

Don't tell me, it's not worth fighting for
I can't help it; there's nothing I want more
You know it's true, yup
that everything I do, I do it for you

There's no love (no love)
There's no love, (no love)
There's no love, (no love)
There's no love, (no love)
and there's nowhere (you're nowhere)
Ignite and I must be there (you're nowhere)
There's nowhere (you're nowhere)
Oh, wait, yeah

Can't tell me it's not worth trying for

I can't help it, there's nothing I want more
You know it's true (it's true)
that everything that I do do,
I do it for you (you, for you, for you)

I, I do it, I do it, I do it you know
you know I do it, when I'm alone
when I'm in public
when I'm on the bus
when I'm in the bathroom
I do it for you
