How do you know when the games are over?
How do you know when the feelings just right?
How do you know if the things she told ya
are really the things she's feeling tonight

Bridge:

'cuz once we sleep together
things will surely change
and i'm wondering if the way she feels for me
will stay the same

chorus

it's alright, I don't mind
that's what she said
out of sight, just one night, don't worry
it's ok, what you say, I'll understand
tell me when the morning comes
who will be your man

Maybe shes thinks I need in her
Maybe she thinks that we're moving too fast
Baby if the love comes on too strong
Isn't a love that was ment to last

bridge:

I want to be with her
but not if everything has to change
and I was hoping that the way she feels for me
will stay the same

chorus

it's alright, I don't mind
that's what she said
out of sight, just one night, don't worry
it's ok, what you say, I'll understand
tell me when the morning comes
who will be your man

da dum da dum da dum
da dum da dum da dum
(tell me) da dum da dum da dum

da dum da dum da dum
(tell me baby, when the morning comes)
da dum da dum da dum
da dum da dum da dum
(after I've been holding you tight all night)
who will be your man

chorus

it's alright, I don't mind
that's what she said
out of sight, just one night, don't worry
it's ok, what you say, I'll understand
tell me when the morning comes
who will be your man

chorus x5
