### "Allow Me To Introduce Myself...Mr.Right"

There's gonna be a party tonight  
And do you think that your invited  
I know that your excited  
Gonna be a party tonight  
Wouldn't you think you'd know  
If you I were excited

All these consequences keep running around your  
head  
But who knows what they'll say, when it all comes down  
to...  
Through the moonlight glow I know, heart racing fast  
as it can go  
Our eyes meet instantly, you're on your way

Let it become (don't stop) your breathing,  
Let it become (don't stop) your breathing,  
Let's get this party started cause...

She was thinking Mr Right I was thinking Right Now.  
Contemplating, over it. Over and over again.  
She was thinking Mr Right I was thinking Right Now.  
Contemplating, over it. Over and over again.

We started dancing getting  
Crazy on the dance floor  
Come and dance with me  
I'll show you what your looking for  
Gonna slow down, gonna go down  
Gonna make it all night  
If you're with me, i'll quickly  
Make everything alright.

Let it become (don't stop) your breathing,  
Let it become (don't stop) your breathing

She was thinking Mr Right I was thinking Right Now.  
Contemplating, over it. Over and over again.  
She was thinking Mr Right I was thinking Right Now.  
Contemplating, over it. Over and over again.

Ever since I laid my eyes on you,  
There's been so much I've wanted to do,  
Bring your body closer to mine...  
There's gonna be a party  
Gonna be a party tonight  
Let's get this party started right

Dadadada, gonna rock the floor, gonna dance to the  
tempo  
Dadadada, gonna rock the floor gonna dance

She was thinking Mr Right I was thinking Right Now.  
Contemplating, over it. Over and over again.  
She was thinking Mr Right I was thinking Right Now.  
Contemplating, over it. Over and over again
