See that girl right there
They say she's sexy as hell
'Cause when she glides into the room
Oh her presence is felt
It's like, she's insatiable, irresistible

I know that I can get her and I won't even try
'Cause she gave me that look
Like I'm the type of guy that knows
How to please her
Knows just what she needs

I know I'm dreaming she's in love with me
But in reality, she's a one night machine
I know she doesn't fall in love at all

Love is all I need
And I don't care about
Nothing in life is free
Love is all I need
And I don't care about
It's the price of company

It's intentional
She can be so persuadable
But please believe me
She tells her time with dollar and cents
I am the clock that pays the rent

Dressed to kill and she's taking all my will
And I can't stop want it all
I'm sure to pay for this

Love is all I need
And I don't care about
Nothing in life is free
Love is all I need
And I don't care about
It's the price of company[x2]

There's a devil to my left
An angel to my right

She's been running circles all around my mind
With a body like that
Who could say no
She'll leave with my money and my self control[x2]

See that girl right there
She's sexy as hell[x2]

Love is all I need
And I don't care about
Nothing in life is free
Love is all I need
And I don't care about
It's the price of company[x2]
