Hey, you know me, i can skip the beat in your heart
Oh oh oh.
I know, you told me, dont come around or else we'll get
caught.
Oh oh o woah

Your mumma she dont like me
Your brother wanna fight me,
But you know you just wanna have fun

Im not tryna hurt you, forget about your curfew.
Were gonna set this world on fire!
Were stepping out tonight, aint got nothing to lose.
Were gonna set this world on fire
You know we keep it jumping when we break all the
rules,
Were gonna set this world on fire

Woah oh, oh oh.
Woah oh oh oh,
Woah oh oh oh.
Were gonna set this world on fire.
Woah oh oh oh.
Woah oh oh oh
Woah oh oh oh
were gonna set this world on fire.

Please, your lonley.
I could be the one that you call.
Oh, oh oh oh.
Cause by now, you know me
I'll be right there whenever you want
Oh oh o-woah

I know we gotta lay low,
sneaking out your window
but you know you just wanna have fun,
were gonna party all night
till we see the daylight.

We gonna set this world on fire!

Were stepping out tonight, aint got nothing to lose.
Were gonna set this world on fire
You know we keep it jumping when we break all the
rules,
Were gonna set this world on fire

Woah oh, oh oh.
Woah oh oh oh,
Woah oh oh oh.
Were gonna set this world on fire.
Woah oh oh oh.
Woah oh oh oh
Woah oh oh oh
were gonna set this world on fire.

If you wanna set this place on fire, let me hear you say;
Oh oh oh oh oh oh oh oh oh.
If you wanna set this place on fire, let me hear you say;
Oh oh oh oh.
Were gonna set this world on fire

Were stepping out tonight, aint got nothing to lose.
Were gonna set this world on fire
You know we keep it jumping when we break all the
rules,
Were gonna set this world on fire

Woah oh, oh oh.
Woah oh oh oh,
Woah oh oh oh.
Were gonna set this world on fire.
Woah oh oh oh.
Woah oh oh oh
Woah oh oh oh
were gonna set this world on fire.
