Album: Nostalgia 2006

First Track

Machiavellian tears stains lullaby
Betrayal soul flows indelible
Show my rosary - Show your honesty
Blood ink's the shade of this hail

First sentence is written with joy of fail
Weigh harder on the finger of this dream writer
Blood coagulates with the fibers of every sheets
Wind dries hope dirty and words flows slowly

Your finger belongs to me
(Ache belongs to you)
Let it fly! - Let it die!
Your finger belongs to me
(Ache belongs to you)
Let it cry! - Let it die!

Pain has a beautiful writing - Red ink!
Betrayal soul flows indelible
Want to stop something never begin
Sin ink's the shade of this hail

Last sentence is written with sorrow of fail
Weigh harder on the finger of this dream writer
Blood coagulates with the fibers of every sheets
Wind dries hope dirty and words flows slowly

Your finger belongs to me
(Ache belongs to you!)
Let it fly! - Let it die!
Your finger belongs to me
(Ache belongs to you!)
Let it cry! - Let it die!
