Cupidity rises on the bridge of the insanity  
The banks are desire and reason  
Nothing can change the taste of jealousy  
Instinct dies where heaven and sea give rise to horizon  
The holy smile disappears in the wind of fear  
When sorrow helps the love to make defection  
Love flies with the bird of suffering - So near  
Tears of lies rains on the sand of the absolution

Blame's river is punctuated of a tear of shame  
Water without oxygen  
Desire without passion  
Wind blows on the beach but no sand flies  
Being without breath  
Love without happiness

Sweet blood swims in the lost feeling  
A wave of misfortune kills innocent fish  
Neptune carries the crown of disgrace proudly  
Then psycho hurts the honor's flesh  
Storm eye push me in the dark  
Heaven way make a scream  
Sound flees in the smoke of sunshine  
When the night wake up it's a dream

Blame's river is punctuated of a tear of shame  
Water without oxygen  
Desire without passion  
Wind blows on the beach but no sand flies  
Being without breath  
Love without happiness

Cupidity dies on the bridge of the insanity  
The banks are loneliness and bitterness  
Nothing can change the health's touch  
Insane thoughts dies where heaven and sea give rise  
to horizon  
Noise of ignorance follow the silence's law  
The cloud of wisdom is gray of decline  
When no arrogance bites with the hook of knowledge  
It's the time to find the sea urchin without spine

Blame's river is punctuated of a tear of shame  
Water without oxygen  
Desire without passion  
Wind blows on the beach but no sand flies  
Being without breath  
Love without happiness

The smile of the bottom lake  
Hypnotize me  
Laugh about me  
Spit on me

I fall into this flowers of blue dye  
Murder in the heart of another soul's shy
