So many people telling me one way
So many people telling me to stay
Never had time to have my mind made up
Caught in a motion that I don't wanna stop

So many people telling me one way
So many people telling me to stay
Never had time to have my mind made up
Caught in a motion that I don't wanna stop
So many people telling me one way
So many people telling me to stay
Never had time to have my mind made up
Caught in a motion that I don't wanna stop

So many people telling me one way
So many people telling me to stay
Never had time to have my mind made up
Caught in a motion that I don't wanna stop
That I don't wanna stop
