Bide my time,  
Everything will be in line,  
Mystic rhyme,  
Nine and three and five are mine,  
Memories,  
Past, future, now,  
Show me,  
Just where man's destiny will lie.

Human race,  
Outa space,  
Travellers.

Make a race,  
And mutate,  
Warriors.

Unify,  
Open eye,  
Clarity.

Human race,  
Outa space,  
Travellers.

Magnetize all your actions powerfully,  
Energize everything you touch and see,  
Change minds,  
Rebuild the world,  
Unlock  
The healing power in you heart.

Human race,  
Outa space,  
Travellers.

Human race,  
Lost in space,  
Warriors.

Make a race,

And mutate,  
Warriors.

Unify,  
Open eye,  
Clarity.

Magnetize,  
Energize,  
Travellers.

Human race,  
Outa space,  
Warriors.

Unify,  
Open eye,  
Clarity.
