"A Long Way From Home"

Visit "[A Long Way From Home](#)" on MotoLyrics.com

You've come a long way from the runny-nosed and
scruffy kid I knew
You had such good ways
I can remember the little things that always made you
smile
They made you happy
Now you think you're wiser because you're older and
you think
That money buys everything
And you think you need no one to guide you
But you're still a long way from home.
You've come a long way, you're self-assured and
dressed in
funny clothes, but you don't know me.
I hope you find what you are looking for
with your car and handmade overcoats
But your wealth will never make you stronger 'cos
you're still a
long way from home
Yes, you're still a long way from home
