The first time that I saw you, you were modestly waiting  
for a bus  
Now you're driving around in hired limousines  
And you talk so upper class.

The cost is high, but it's not the only price you  
ultimately pay  
Add it up, you might have got some money  
But you lost me on the way

Add it up, oh  
Add it up, oh  
Add it up, oh  
Add it up, oh

Ah, Gucci, Gucci, Gucci  
Cartier, Cartier  
Gucci, Gucci, Gucci

Add it up,  
You multiplied and multiplied but what's it leading to?  
Add it up,  
The only thing subtracted is the love I had for you  
So add it up, oh  
Add it up, oh  
Add it up, oh  
Add it up, oh

Symbols of perversion and insanity  
Symbols of social immorality  
Symbols of economic cruelty  
Symbolize all what you did to me

Ah, Gucci, Gucci, Gucci  
Cartier, Cartier  
Gucci, Gucci, Gucci  
Cartier, Cartier

Money can't cover up the fact you're getting older  
every day  
And you can't disguise your sad little eyes that give

your loneliness away

Add it up, oh

Add it up, oh

Add it up, oh

(repeat)
