Big Sky looked down on all the people looking up at the  
Big Sky.

Everybody pushing one another around

Big Sky feels sad when he sees the children scream  
and cry

But the Big Sky's too big to let it get him down.

Big Sky too big to cry

Big Sky too high to see

People like you and me

One day we'll be free, we won't care, just you see

'Til that day can be, don't let it get you down

When I feel that the world is too much for me

I think of the Big Sky, and nothing matters much to me.

Big Sky looked down on all the people who think they  
got problems

They get depressed and they hold their head in their  
hands and cry.

People lift up their hands and they look up to the Big  
Sky

But Big Sky is too big to sympathize

Big Sky's too occupied

Though he would like to try

And he feels bad inside

Big Sky's too big to cry

One day we'll be free, we won't care, just you wait and  
see

'Til that day can be, don't let it get you down.

When I feel that the world is too much for me

I think of the Big Sky, and nothing matters much to me
