Thank you for the days, those endless days  
Those sacred days you gave me  
I'm thinking of the days  
I won't forget a single day believe me

I bless the light, I bless the light  
That lights on you believe me  
And though you're gone  
You're with me every single day believe me

Days I remember all my life  
Days when you can't see wrong from right  
You took my life  
But then I knew that very soon you'd leave me  
But it's alright  
Now I'm not frightened of this world believe me

I wish today could be tomorrow  
The night is long it just brings sorrow, let it wait, Oh

Thank you for the days, those endless days  
Those sacred days you gave me  
I'm thinking of the days  
I won't forget a single day believe me

Days I remember all my life  
Days when you can't see wrong from right  
You took my life  
But then I knew that very soon you'd leave me  
But it's alright  
Now I'm not frightened of this world believe me

Day-ay-ay-ay-ay-ay-ay-ays

Thank you for the days, those endless days  
Those sacred days you gave me  
I'm thinking of the days  
I won't forget a single day believe me

I bless the light, I bless the light  
That shines on you believe me

And though you're gone  
You're with me every single day believe me

Day-ay-ay-ay-ay-ay-ay-ays
