"Get Back In Line"

Facing the world ain't easy when there isn't anything
going
Standing at the corner waiting watching time go by
Will I go to work today or shall I bide my time
'Cos when I see that union man walking down the street
He's the man who decides if I live or I die, if I starve, or
I eat
Then he walks up to me and the sun begins to shine
Then he walks right past and I know that I've got to get
back in the line
Now I think of what my mamma told me
She always said that it would never ever work out
But all I want to do is make some money
And bring you home some wine
For I don't ever want you to see me
Standing in that line
'Cause that union man's got such a hold over me
He's the man who decides if I live or I die, if I starve, or
I eat
Then he walks up to me and the sun begins to shine
Then he walks right past and I know that I've got to get
back in the line
