"I Go To Sleep"

Visit "[I Go To Sleep](#)" on MotoLyrics.com

When I look up from my pillow I dream you are there
with me
Though you are far away I know you'll always be near to
me
I go to sleep, sleep and imagine that you're there with
me
I go to sleep, sleep and imagine that you're there with
me

I look around me and feel you are ever so close to me
Each tear that flows from my eyes brings back
memories of you to me
I go to sleep, sleep and imagine that you're there with
me
I go to sleep, sleep and imagine that you're there with
me

I was wrong, I will cry, I will love you to the day I die
You alone, you alone and no one else, you were meant
for me

When morning comes once more I have the loneliness
you left me
Each day drags by until finally night time descends on
me
I go to sleep, sleep and imagine that you're there with
me
I go to sleep, sleep and imagine that you're there with
me
