I'm a hog for you baby, can't get enough of your love
I'm a hog for you baby, can't get enough of your love
When I go to sleep at night that's the only thing I'm
thinking of

One little piggie ate a pizza (yeah)
One piggie ate potato chips (yeah)
But here's a little piggie comin' over your house
Gonna grab a love of your sweet lips

'cause I'm a hog for you baby, can't get enough of your
love
When I go to sleep at night that's the only thing I'm
thinking of
Yeah!

One little piggie went to london (yeah)
One piggie went to hongkong ([?])
This little piggie's comin' over your house
Gonna love ya all night long

'cause I'm a hog for you baby, can't get enough of your
love
When I go to sleep at night that's the only thing I'm
thinking of
When I go to sleep at night that's the only thing I'm
thinking of
