I'd be home free if I could make up my mind,  
What to do about you.  
One minute I think I love you, the next I'm playing the  
fool.  
You're such a part of me, can't tear myself away from  
you.  
Don't care what people say, I just wanna be close.

I've changed my mind a thousand times,  
Now it's a case of do or die.  
There's no more time to reason why.

Now it's a matter of decision,  
Why can't I make up my mind?  
I can't stand this indecision,  
I'm going out of my mind.

The world is in such a sorry state.  
In the papers, in the news.  
Politicians can't see their hands from their feet,  
Nobody cares about the truth.

Wish I could make the world a better place for you and  
me.  
You always run and hide, I only wanna be close.  
The teachers stuff your head with lies,  
And make it hard to realize,  
What's going on, what's wrong, what's right.

Well, it's a matter of decision,  
We all must make a stand,  
For everything that we believe in,  
Every woman, every man.  
It's a matter of decision.

A matter of decision, a matter of decision.
