Oobadiooba, oobadiay
Everything's swingin', swingin my way
Sad times are over, oobadioobiayay
Yeah yeah yeah

Oobadiooba, oobadiay
One thing is certain, I wanna say
Darlin' I love you, oobadioobiayay
Yeah yeah...

Feel I wanna laugh and shout
Cry "Hip hip hooray"
Now I know without a doubt
You are here to stay

Oobadiooba, oobadiay
We'll be together, come what may
Sad times are over, oobadioobiayay
Yeah yeah yeah

Feel I wanna laugh and shout
Cry "Hip hip hooray"
Now I know without a doubt
You are here to stay

Oobadiooba, oobadiay
We'll be together, come what may
Sad times are over, oobadioobiayay
Yeah yeah yeah

Oobadiooba, oobadiyay
