You've got this strange effect on me
And I like it
You've got this strange effect on me
And I like it

You make my world seem right
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like it

And I like the way you kiss me
Don't know if I should
But this feeling is love, and I know it
That's why I feel good

You've got this strange effect on me
And I like it
You've got this strange effect on me
And I like it

You make my world seem right
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like it, and I like it
