This time tomorrow where will we be
On a spaceship somewhere sailing across an empty
sea
This time tomorrow what will we know
Well we still be here watching an in-flight movie show
I'll leave the sun behind me and watch the clouds as
they sadly pass me by
Seven miles below me I can see the world and it ain't so
big at all
This time tomorrow what will we see
Field full of houses, endless rows of crowded streets
I don't where I'm going, I don't want to see
I feel the world below me looking up at me
Leave the sun behind me, and watch the clouds as they
sadly pass me by
And I'm in perpetual motion and the world below
doesn't matter much to me
This time tomorrow where will we be
On a spaceship somewhere sailing across any empty
sea
This time tomorrow, this time tomorrow
