Can't you see (can't you see)  
Can't you see by the look in my eyes  
Can't you see (can't you see)  
Can't you see I'm in paradise

I feel all right  
I feel okay  
'Cause I'm in love (I'm in love)  
And you shouldn't be sad

People say (people say)  
That love can do funny things  
But I say (but I say)  
I'm gonna take what the future brings

I feel all right  
I feel okay  
'Cause I'm in love (I'm in love)  
And you shouldn't be sad

No, you can't be sad my darling  
If you say you love me too  
Well, it seems that all the good things I've done  
Done it all for you  
Done it all, done it all for you

Can't you see (can't you see)  
Can't you see by the look in my eyes  
Can't you see (can't you see)  
Can't you see I'm in paradise

I feel all right  
I feel okay  
'Cause I'm in love (I'm in love)  
And you shouldn't be sad

I'm in love  
And I know, and I know,  
And I know, and I know  
That you shouldn't be sad
