The rain just never seems to bring
The joy I feel the same.
Everlasting pain of my loss remains.

My heart can't seem to learn to part
The hold you left you mark.
All that I dreamed of now it seems so stark.

Though I told myself won't hold my breath
a part of me was dying.
There is nothing left for me to do now.
But give in.

If you gave me one chance to tell you how I was feeling.
I would sing to you and tell you I won't
Live my life without you.

If you gave me one chance to tell you how I was feeling.
I would hold your hand and look in your eyes.
And you know I'd never let you go.

The way you left me on the train.
I don't know what to say.
I remember everything of that day

I can't believe we'd never dance
I just need one more chance
To share the sunset our one last romance

Though I told myself won't hold my breath
a part of me was dying.
There is nothing left for me to do now.
But give in.

If you gave me one chance to tell you how I was feeling.
I would sing to you and tell you I won't
Live my life without you.

If you gave me one chance to tell you how I was feeling.
I would hold your hand and look in your eyes.
And you know I'd never let you go.

If you gave me one chance to tell you how I was feeling.
I would sing to you and tell you I won't
Live my life without you.

If you gave me one chance to tell you how I was feeling.
I would hold your hand and look in your eyes.
And you know I'd never let you go.
