I got a feelin' deep inside.
I got a feelin' I can't hide, it's true.
Just between me and you.

It started in my heart and hasn't stopped yet.
And I don't know how big it's gonna get, but it's true.
Just between me and you.

Chorus:
Just between us, I've seen us
Together in all my dreams.
And when we touch, it's too much
It's e-lec-tricity, yeah
Just between you and me.

Just you and me on a night like this.
You take my breath with one sweet kiss, maybe two-o.
Just between me and you.

And you call it magic and you can call it love.
Call it forever, say you're thinkin' of it too-o.
Just between me and you.

Chorus:
Just between us, I've seen us
Together in all my dreams.
And when we touch, it's too much.
It's e-lec-tricity, yeah.
Just between you and me.

Bridge:
This is more than one woman and man.
This is greater than the sum of two-oo. Ohhh, oh.

I got a feelin' deep inside.
I got a feelin' I can't hide, it's true.
Yeaa, Just between me and you.

Just between us, I've seen us
Together in all my dreams.
And when we touch, it's too much

It's e-lec-tricity, yeah.
Just between you and me.

Ooo, Just between you and me.
Just between you and me.
Yeah-e, yeah, yeah, you and me, yeah.

Heyy.
