Tears on the phone, round midnight
You assume that I would be alone
She hurt you once, hurt you twice
You keep asking for my advice
How many times you have to hear the truth
She ain't the girl for you

Chorus:
She makes you cry and still you stay
Why can't you just walk away
Everytime you hurt, it hurts me too
She ain't the girl for you

You know I'll play the part of the friend
Who bandages your broken heart
And in return you turn to me
There's no limit to what I can be
What I am, she cannot do
She ain't the girl for you

Repeat Chorus

I'm the one who understands
It's me who holds your hand

Repeat Chorus
